

# The True Gospel

## “Freedom from Sin”!

In the last three years that I have been studying Scripture, I have noticed that Scripture seems to be largely **unknown to Christians**, even to the preachers and teachers. The true gospel is hidden and concealed and replaced by a false gospel. Even Christians who claim to be close to the bible teach a false gospel. That is the reason I would like to summarize my own results opposite to John MacArthur and many other bible teachers. So what does Scripture teach us when we study it carefully by our own?

Scripture teaches us: unredeemed people live in an invisible captivity, in a kind of "death cell", waiting for eternal death, caused by the enemy of God. But ...

**God in his love through Jesus Christ, our Saviour and Redeemer, has set us free from the "works of the devil" in six ways:**

A. HE has delivered us from **slavery and captivity** in the kingdom of darkness and has transferred us into the kingdom of God and into His glory. Being slaves of sin HE has made us children of God. Children of God can be recognized by the **Spirit of love and truth**, by "right love" and "right doctrine".

B. HE has delivered us from the "**law of sin and death**", delivered from the power and dominion of the flesh. He has given us the Spirit of God, a new heart, a new mind and a new morality.

C. HE has delivered us from the **judgment** of God and from eternal **damnation**. He has given us eternal life. Children of God can never lose grace and salvation.

D. HE has delivered us from all **sinfulness**. He forgave us all sins in advance. God has made us holy, pure and righteous once and for all. Children of God can never again be tainted with sin. All sins are on Jesus, HE took all sins and all punishments upon Himself. Children of God are completely pure, they do not have to cleanse themselves daily and repent!

E. HE has delivered us from the **law of Moses**. Christ is the end of the law, HE has fulfilled the law for us. HE has written a new law into our hearts, the "law of faith and love": We are supposed to "believe and love". If there is no law, there are no violations of the law in terms of sin. The account of sins is paid off and closed, "new sins" are no longer counted.

F. HE has delivered us from the **evil nature** that the devil implanted in us when mankind (Adam) fell in sin. On the cross HE destroyed "sin", the "sinful flesh", the ungodly impulse to sin! He has made us "new people" with a new, divine nature, which cannot and will not sin.

Children of God were crucified, died with us, were buried with us and raised to a "new life"! They are dominated, guided and transformed into Christ-like beings by the Spirit of God. Whoever confesses that the evil nature is in him and in all children of God is not born again and is not a child of God.

Effect: **Children of God do not sin** (1 John 3:9; 5:18). "Sin" no longer exists: the law is abolished, all sins are forgiven, "sins" are not counted. Sin, the sinful flesh, is completely **destroyed**. Children of God are not led by the

"flesh", but by the Spirit. They are saints, and no sinners. **CHRIST** lives in them! Whoever "lives in sin" is not a child of God!

Children of God are created in God's image, they are born of God, are begotten with the "seed of God", they have God's DNA, God's being and God's character. Children of God are part of the body of Christ. How can a part of the body sin against the head?

Children of God **love and respect** all people, especially their brothers and sisters. They do them no harm. They despise, slander and harm no one, and they do not tolerate it: "Do evil from among yourselves," Scripture says!

Children of God have **no fellowship** with false doctrines, false teachers and with the works and powers of darkness, with hypnotic, spiritual practices from other religions.

**Conclusion:** Children of God are free from all sinfulness, free from the slavery of the law, free from the evil nature, free forever and ever! Children of God do not have to strive, do not strain, do not have to fight sin, they are led by the Spirit of God on the right path into the glory of God. This is what the Word of God tells us!

Do you believe it? Then you too are saved. Most Christians do not believe that! They deny the perfect (sixfold) redemption work of Christ. On closer inspection, they deny all six acts of redemption; they are convinced that even a false gospel and "half redemption" can save us! (ABC)

**Notice: This Gospel is opposite to the Gospel of John MacArthur! (The MacArthur Study Bible, [macfound.org](http://macfound.org)) John MacArthur teaches us we are never free from sin until death, despite the title of his book!**
